

Bengal Tiger Lily spice up Matthew's 21st

Bengal Tiger Lily Restaurant ensured celebrations for Matthew Shuff's 21st Birthday Party went with a bang on 25th September.

After champagne and canapés, revellers were presented with a Bengali banquet of chef's special recipe balti, a crowd pleasing chicken tikka masala and spiced potatoes with chickpeas and spinach. Having already selected Bengal Tiger Lily to cater for their first son Scott's 21st two years ago, Roger and Jenny Shuff were delighted that Kamran and his team could wow their guests with their delicious Indian cuisine once again.
